TO WHOM IT MAY CONCERN:

It is with great pleasure that I recommend Tolga Acan for their contribution in community building at the Continuing Education Students' Association of Ryerson (CESAR). Tolga Acan has participated in the CESAR Volunteer Program during the 2019-20 academic year. As participants in the program, Tolga was able to participate in a number of volunteer opportunities which included event and project planning, public speaking and street worker outreach. By participating in these opportunities, they were able to improve their public speaking skills, build confidence, contribute to a positive student community and learn to work in a non-profit environment.

Some of the projects that Tolga has regularly participated in event support include Winter Orientation, The Good Food Market, Student Socials, Petition Advertising and Outreach and Tabling. Tolga has also contributed towards the success of the Viola Desmond Award in March 2020 as an event volunteer. Tolga brings a wealth of passion and commitment in all his work here at the Continuing Education Students' Association of Ryerson.

CESAR volunteers participate in a number of training and reporting processes. This includes participating in a training session each semester, undergoing equity and anti-oppression training, reviewing policy and factsheets relating to campaigns, events and services, and reporting their hours and providing feedback on our online volunteer portal.

CESAR appreciates the work of Tolga Acan in volunteering their time and helping grow the continuing education community at Ryerson University. We hope that you are able to see their commitment, enthusiasm and skills and how they may be valuable to your organization.

In solidarity,

Corey Scott
